PROJECT EXPERIENCE

Lending Library — Launchcode Capstone Project

- Applied learned development skills to create an interactive App using Angular.
- Developed secure user accounts that can be personally customized.
- Created engaging service that provides a means for users to display, lend, and borrow personal books and music albums.

WORK EXPERIENCE

House Cleaner — Self Employed, St. Louis, MO

June 2016 - Present

- Establish a customized schedule and set of tasks for each client based on their personal needs.
- Prioritize various tasks and manage time efficiently each day.
- Provide a service that enhances the lives of my clients and maintain their trust and satisfaction.

Production Assistant — Andrea's Gluten Free, St. Louis, MO

May 2017 - January 2019

- Assisted with food production, packaged goods, shipped and received products, and kept the kitchen and stock area clean and organized.
- Collaborated with teammates to design an evolving workflow that produced the most products efficiently.
- Helped to create a clean and safe work environment that maximized productivity.

Library Clerk — St. Louis Public Library, St. Louis, MO

August 2014 - May 2016

- Managed and organized library books.
- Provided answers and assistance for patrons.
- Helped to create a safe and inspiring environment for community members and their children.
